	2. Outgoing dispatch No dated 3 February 1954 detailed a computation indicating that owed the net amount of \$584.07, which resulted from a retroactive reduction of a special living allowance from \$3,100.00 per annum to \$900.00 per annum, effective 1 June 1953 and discontinuance of the allowance effective 1 October 1953.	25X1A
	3. The Finance Division is in receipt of a memorandum from the Acting Chief of Administration/DDP dated 10 March 1954, which indicates that the original authorization was in error and that instead of the rate of \$3,100.00 per annum the initial rate should have been \$1,456.00 per annum for the period 29 December 1952 thru have been \$1,456.00 per annum from 4 January thru 31 May 1953. In Payroll Section has developed computation on the basis of this most recent memorandum which indicates that was paid \$1,311.58 for the period in question and he should have been paid \$811.38, making a net overpayment of \$500.20.	25X1A
25X1A	4. To recap then, owes \$584.07 on the first adjustment and \$520.20 on the second adjustment for a total of \$1,084.27.	:
	5. The Payroll Section is preparing a dispatch to and it will be routed through the Acting Chief of Administration/DDP as requested in his memorandum dated 10 March 1954, control number CAO-8558.	25X1A
